New technology to beat flooding
- 69 **Storage**  
Metal silos bring food security to El Salvador

The publishers gratefully acknowledge the support of regular bulk subscribers to Appropriate Technology including, Misereor, CAFOD, ITDG, Peace Corps and VSO.

**Front Cover:** Caring for wildlife like this elephant in the Shamwari Game Reserve in South Africa requires a skilled workforce which Andrew Muir's Umzi Wethu programme is helping to provide by training young people whose parents died of Aids. For this work Andrew Muir has won a 2008 Rolex Award.
