

An international journal covering the management of weeds, pests and diseases through chemistry, biology and biotechnology

# OUTLOOKS ON PEST MANAGEMENT

## CONTENTS – OCTOBER 2007

- 194 **Editorial** – *To ban or to regulate?*
- 196 **Gardening With Chemicals** – Roger G Turner looks at the benefits from safe and responsible use of chemicals in gardens
- 204 **Regulatory news** – *new registrations, environmental effects and withdrawals*
- 209 **Indo-UK Collaboration on Rapeseed-Mustard Research for Rural Livelihoods Development** – N. I. Nashaat, Arvind Kumar & V. D. Patil describe the successes achieved by the Indo-UK collaboration designed to improve the yields of oilseed *Brassica* crops in India
- 213 **Integrated weed control using a retardant dose of glyphosate: a new management tool for water hyacinth?** – Ashwini Jadhav, Anthony King, Ryan Brudvig, Martin Hill & Marcus Byrne outline a novel approach to the control of water hyacinth
- 217 **R&D news** – *reports on new products, new applications and new uses*
- 219 **Assessing the effectiveness of biological control in controlling invasive species** – Louise Lawrence, Matthew Thomas & Adele Reid outline the various important factors that must be considered when the success of the use of biological control agents for control of invasive species is evaluated
- 222 **ACS National Meeting, Fall 2007, Boston, USA** – Nancy Ragsdale summarises the presentations made at the August 2007 ACS meeting
- 225 **Company news** – *reports on mergers, acquisitions, collaborations and sales*
- 229 **Changes in pesticide use and arthropod biodiversity in the IRRI research farm** – K. L. Heong, A. Manza, J. Catindig, S Villareal & T. Jacobsen describe the impact of reduced pesticide inputs on arthropod biodiversity on the IRRI research farm and how effective levels of insect control were maintained
- 234 **Understanding pesticide spray applications** – Timothy A Ebert describes the complexities associated with the application of pesticide sprays and how to ensure good stewardship whilst spraying
- 237 **Biotechnology news** – *developments in molecular biology and genomics*
- 240 **Calendar of Events**
