

An international journal covering the management of weeds, pests and diseases through chemistry, biology and biotechnology

OUTLOOKS ON PEST MANAGEMENT

CONTENTS – JUNE 2009

- 98 **Editorial** – *Pesticides in perspective: have we lost the perspective* – Ken Pallett
- 100 **Fungicide resistance: The dose rate debate** – *M W Shaw describes the effects of reduced dose applications of fungicides on the development of resistance in the field*
- 104 **Regulatory news** – *New registrations, environmental effects and withdrawal.*
- 108 **Whole systems approach to organic pest management** – *Ben Raskin outlines the objectives and the benefits of organic agriculture*
- 112 **How the Global Plant Clinic began** – *Eric Boa of CABI describes the inspiration that led to the first Plant Health Clinic and how the concept is spreading around the world*
- 117 **R&D news** – *reports on new products, new applications and new uses*
- 119 **IPARC becomes ‘Consortium’** – *Graham Matthews, Roy Bateman, Evan Thornhill & Hans Dobson describe the changes that have recently taken place at the International Pesticide Application Research Centre*
- 122 **Fungicide resistance action committee (FRAC): a resistance activity update** – *P E Russell*
- 126 **Product Stewardship – Is there a role for better collaboration?** – *Rob Carlton & Helen Thompson consider ways to enhance product stewardship globally*
- 128 **Biotechnology news** – *developments in molecular biology and genomics*
- 131 **The threat of red palm weevil *Rhynchophorus ferrugineus* to date plantations of the Gulf region in the Middle-East: An economic perspective** – *Alaa M. R. El-Sabea, J. R Faleiro & Mahmoud M. Abo-El-Saad*
- 135 **GM Soybean Cropping in the USA – A Review** – *Martin Livermore & Roger Turners’ review of a meeting on GM crops held at NIAB, Cambridge*
- 137 **Managing ecosystem services and pests in broadacre landscapes** – *Louise Lawrence*
- 140 **Company news** – *reports on mergers, acquisitions, collaborations and sales*
- 144 **Calendar of events**
