

An international journal covering the management of weeds, pests and diseases through chemistry, biology and biotechnology

OUTLOOKS ON PEST MANAGEMENT

CONTENTS – February 2010

- 2 **Editorial** – *Have Times Really Changed that Much?*
- 4 **Impact of Anti-DDT Campaigns on Malaria** – *Donald R. Roberts describes the successful history of the use of DDT for the eradication of malaria and how single issue anti-DDT campaigners have compromised the success of this programme*
- 12 **Regulatory news** – *new registrations, environmental effects and withdrawal*
- 15 **The Biological Control of *Fallopia japonica* in Great Britain: Review and Current Status** – *D. H. Djeddour & R. H. Shaw describe the problems in the UK associated with the non-native weed Japanese knotweed and the discovery of a psyllid which may lead to its effective biocontrol*
- 19 **Australian Rabbits are Doing What Comes Naturally – Again** – *Louise Lawrence outlines the continuing struggle against rabbits in Australia*
- 22 **Biotechnology news** – *developments in molecular biology and genomics*
- 25 **California's Use of IPM in Managing Pests in Schools** – *Laurie Brajkovich, Ann Hanger, Belinda Messenger and Sewell Simmons describe the successful introduction of IPM pest management strategies in California's schools*
- 31 **Insect Odorant-binding Proteins: Do they Offer an Alternative Pest Control Strategy?** – *Jing-Jiang Zhou, Linda M. Field and Xiao Li He describe recent advances in our understanding of insect olfactory responses and consider their value as new tools for insect control strategies*
- 35 **R&D news** – *reports on new products, new applications and new uses*
- 38 **Introduction of Glyphosate-tolerant Sugar Beet in the United States** – *Mohamed F. R. Khan reviews the introduction and successful adoption of glyphosate-tolerant sugar beet in the US*
- 42 **Company news** – *reports on mergers, acquisitions, collaborations and sales*
- 45 **BCPC Congress Glasgow 2009** – *Alan Dewar and Len Copping*
- 51 **Book Reviews**
- 52 **Calendar of Events**
